

GLOBINGO

Mingle with the group and introduce yourself to the other students. Try to find people who match the description on your Globingo card. When you find a person with the correct trait, write their name in the corresponding box or have them sign the square. You can only write the name of each person once.

Commutes to school by bicycle or public transport.	Knows where their clothes are manufactured.	Can name a principle of fair trade.	Knows what the SDGs are.
